Predmetni nastavnik: V.prof.dr. Edin Berberović

Pojedina provjera znanja smatra se uspješnom ako je osvojeno minimalno 50% (25 bodova). U slučaju da se ne osvoji ukupni minimum 50% (50 bodova) tokom testova, polaže se nepoloženi dio (prvi ili drugi) na završnom ispitu.

Studenti koji su položili oba testa, mogu prijaviti ispit u ISSS-u i na dan ispita bit će im upisana ocjena. Ostali također moraju prijaviti ispit u ISSS-u i polagat će nepoloženi dio.
